The surging parallels of information delivery got transformed on the fine evening of 26th September, 2022 as IMI-K hosted a knowledge treat in the form of an Entrepreneurial Lecture (under IQAC). Mr. Kalisankar Adhikari, Managing Director, Synergy Industrial Services spoke on 'The Do's and Don't's of running your Venture'. Mr. Adhikari touched upon areas such as qualities that define an entrepreneur, the nitty-gritties of starting your own venture and the collaborative efforts put in the right direction. The discussion was indeed a thought-provoking one.
