For the final day of the Orientation Programme for the PGDM Batch of 2022-2024, IMI Kolkata hosted the 5th Edition of Entrepreneurship Summit with eminent panelists like Mr. Ravi Ranjan, Co-founder, Velocity 1; Ms. Ekta Jaju, Founder & CEO, ONganic Foods Pvt Ltd; Mr. Sayan Chakraborty, CEO, WTF-Where's The Food; Mr. Anish Agarwal, CEO, Tablt Pharmacy and Mr. Rishav Sadhu, Co-founder and CTO, Webingo. The summit themed "Turning an idea to Business" witnessed enriching discussions on steps for being successful in a startup, challenges of an entrepreneur and how to overcome the challenges, potential of startups in India, importance of an innovative idea and future of startups and entrepreneurs.

The session saw great engagement from the audience and was concluded by moderator Dr. Roma Puri, Associate Professor (Organizational Behaviour & Human Resources), IMI Kolkata with a Q&A round and a cordial vote of thanks.
